

30 Practical Ways to Glorify God

Glorify God! Throughout the week, select and do 3 or more of the things on this list. Be intentional about it. Plan out how and when you will do them—actually write them into your schedule. Try doing this until glorifying God becomes second nature.

1. Intentionally set aside time each day specifically for God. Make sure to plan it out. Try reading a daily devotional each morning.
2. Write down 3-5 Bible verses that most inspire you, and memorize them.
3. Commit to reading the entire Bible in one year. For reading plans go to HeartLight.org/devotionals/reading_plans. Also, attend or lead a Bible study. When reading the Bible, ask God to reveal Himself to you.
4. Ask the Holy Spirit to empower you to make a major change in your life.
5. Each morning say, “God allow me to know and do your will today. Fill me with your Spirit.”
6. Be thankful. Live a life of gratitude. Each morning, write down 3 new things you’re grateful for. Also, write down the 20 things you are most grateful for and hang the list up where you’ll see it daily.
7. Watch the film *The Passion of the Christ* (2004). Then thank Jesus for all He has done.
8. Next time you see someone suffering, pray for that person. Ask God to give them hope. Give a gospel tract and \$5 to a homeless person for a meal.
9. Make the conscious decision to let this day be the best day ever! Rejoice over all God’s creation!
10. Make a list of all the worries you have no control over, then pray for God to take them away.
11. Set aside a portion of your income to give to a charity of your choice each month. Be a good steward with your money—don’t buy stuff you can’t afford. Sponsor a child through Compassion International—it’s only \$1 a day! (Compassion.com)
12. Pray when you get up, pray before each meal; and pray when you go to bed. Talk to God constantly.
13. For at least one minute a day, close your eyes and meditate on nothing but God and His love for you.
14. Accept and declare Christ as your savior. Direct someone to NeedHim.com.
15. If you have questions regarding your faith, go to GotQuestions.org. Know why you believe what you believe.
16. Pray for a humble heart. Ask Jesus to live through you. Try seeing things through His eyes.
17. Act on your faith! Pray for God to reveal new ways to put your faith into action. Write out your personal faith story and share it with someone. Proclaim the Gospel. Tell someone about Jesus.
18. Become conscious of your breathing. As you inhale, imagine being filled with God’s peace. As you exhale, imagine being emptied of all worries and concerns.
19. Before each decision, ask yourself, “What Would Jesus Do?” and pray for discernment. Wear a WWJD band or bracelet as a reminder.
20. Take up your cross; deny yourself today. Purposely put someone else’s needs before your own. Fast for a day from TV, Internet, work, or food.
21. Forgive from your heart those you have not yet forgiven, including yourself. Confess your sins. Walk in humility. Admit when you’re wrong. Ask for forgiveness.
22. Become your word. Write down a plan each week and follow through with it.
23. Listen to a Christian radio station. Allow God to speak to you through the music.

24. Obey God. Show love to your neighbor. Envision a mirror in place of each person's face. Love each person as if they're your sister or brother. Kindly open doors for others. Say "hello" to strangers as they pass by.
25. Compliment and encourage at least two different people each day. Before you speak, ask yourself, "How might others benefit from what I'm about to say?" If they are not going to benefit from it, don't say it.
26. Create a list of people to pray for, and each night before bedtime, read the list.
27. Be creative. Brainstorm a few of your own ideas of how you and others can glorify God. Draw Him a painting. Sing God a song.
28. Go to church. Invite others to church. Volunteer at church. Volunteer at a homeless shelter or nursing home. Go on a short-term mission trip.
29. Acknowledge God's sovereignty—be content in all circumstances. Praise God. Thank God. Give God credit for all good things. Be thankful for all God has given you, which is all that you have.
30. Fix your eyes on Jesus. During difficult times, ask Him for the strength to persevere.
